

# Ultimate Weapon

By Nilay Chheda

Decepticons have stolen unlock codes for Julius' ultimate weapon. Now, it's up to Optimus and his Autobots to unlock it and use it against Megatron before him. Autobots have already intercepted unlock codes. Optimus needs your help as he can't use his power in ancient topography. Optimus has given you unlock codes and Julius' large two way pirow. Now, it's your time to step up!
